## PAST PERFORMANCE

### Department of Defense (Prime) Contract Value (\$22M)

Support the U.S. Army JMC Headquarters (HQ) Chief Information Office (CIO) / Information Management Division (G6) at Rock Island Arsenal, Rock Island, IL. Provide Information Assurance; Automated Data Processing (ADP), and day-to-day operations involving software, hardware, and applications Systems Support; Modernizations of Systems; Application Development; Application Support services to include: Software Development and Version Control.

### Department of Justice (Prime) Contract Value (\$13.8M)

Supported the OCR by providing attorneys and law clerk/paralegal staff for legal review, research, analysis, counsel, and opinions in support of OCR's civil rights enforcement activities, as well as those of the Review Panel on Prison Rape.

Support the PSOB Program by providing attorneys and law clerk/paralegal staff for the legal review of all public safety officer death, disability, and educational (as needed) assistance and financial claims.

### Department of the Air Force, Top Secret (Prime) Contract Value (\$10.9M)

Responsible for the wholesale supply chain management to include receiving and processing incoming mission assets from various sources, Ensure proper storage, inventory, packing, transportation, repair cycle, cargo movement / planning of COMSEC, SIGINT, TASS/BISS Cyber, KMI and VACM equipment.

### Defense Health Agency-Joint Trauma Center (Prime) Contract Value (\$8.3M)

Provide mission-critical configuration data analyst support for the Joint Trauma Center. These activities require support to accurately analyze, interpret, and report complex military trauma data.

### Defense Health Agency - William Beaumont Army Medical Center (Prime) Contract Value (\$8.4M)

Provide IT Help Desk Support and Administrative Support services to William Beaumont Army Medical Center and the outlying clinics. This support includes Tier 1/2/3 desktop support, System and Network Administration, Unified Communications, and Project Management.

### Defense Health Agency-Naval Hospital Jacksonville (Prime) Contract Value (\$8.M)

Provide IT Help Desk Support and Administrative Support services to the Naval Hospital Jacksonville which is comprised of the main hospital compound, five (5) Branch Health Clinics and other remote sites located throughout Florida and Georgia.

### Army Sustainment Command - Army Pre-Positioned Stock Afloat Ammunition Accountability Support (\$6.1M)

Account for and manage \$8.2 million of ammunition and explosive (A&E) assets including over 2,400 containers of A&E stowed on seven vessels. Process the receipt and shipment of all A&E, conduct 100% inventory, and process all documentation for movement.

### Engineer Research and Development Center (ERDC), Information Technology Laboratory (ITL) (Prime) Contract Value (\$6M)

Provide Inspections, Testing and Maintenance (ITM), also known as Preventive Maintenance (PM) and / or Corrective Maintenance (CM) of the emergency backup power generation systems, uninterrupted power systems (UPS), mission critical distribution equipment, mission critical process cooling equipment.

### Naval Information Warfare Center (NIWC) (Prime JV) Contract Value (\$5M)

Develop capabilities in the EIDS MIP that will replace the immunization tracking functions within DEERS while also meeting DHA immunization tracking requirements. Create necessary data interfaces in and out of the MIP for each of the Military Services, DES, and MHS service agencies so that Immunization Records can be received, curated, and made available for business intelligence.

### Environmental Protection Agency (EPA) Logistical and Transportation Support (Prime) Contract Value (\$5.6M) EPA-

Provide support, management, and accounting of personal property assets (15,000 items) of accountable property valued at approximately \$29 million. Conduct and maintain inventory property management records, perform inventories, reconcile accounts, perform data entry in EPA's official accountability tracking system of personal property assets, and provide quality administrative support to all assigned tasks.
